

Singapore Math (K-5)

This course is geared toward current and new campus coaches and/or anyone with campus math responsibilities. A general agenda and an articulation of the intended audience for each day is given below:

- Day 1 – NEW coaches/leaders or coaches/leaders who were unable to attend last year
 - Overview of the classical approach to math and the Singapore framework
 - Alignment on observations of Singapore instruction part 1
 - Coaching 101
 - First 5 Days of Singapore Math
 - Overview of resources
- Day 2 – ALL coaches/leaders (new and returning)
 - Alignment on observations of Singapore instruction part 2
 - Monitoring student learning
 - Campus goals
 - Coach track
 - Grade level lead/teacher track

Well-Ordered Language (2nd-8th)

This course is designed to provide participants with an adult understanding of grammar and formal diagramming through the scope and sequence of *Well-Ordered Language*. All faculty interested in deepening their understanding of grammar and the WOL program are encouraged to attend!

- Day 1 – Deep Dive into Grammar and Sentence Analysis
- Day 2 – Deep Dive into Diagramming

Carnegie Math (6th-8th)

This course is designed for coaches on campuses using *Carnegie Math*. The focus will be on explaining the nuances of the *Carnegie* materials and the best strategies to use in coaching teachers in them

Humane Letters (9th-12th)

This course will focus on strategies for planning and running seminar. The target audience is new teachers or teachers who would benefit from a refresher in the basics of seminar. Course is capped at 25 participants.
